Dear Bobtails families.

It is with huge regret and a heavy heart that I have made my decision to leave my post at Bobtails.

I have worked at Bobtails for over 8 years, achieved my Early Years Foundation Degree, and worked as Deputy Manager.

With the help of the staff, you, and especially your children, I have laughed every day, gained a wealth of experience and enjoyed every minute of the last 8 years. This decision has not been an easy one, but the time is right for me to go.

I would like to thank the committee for all their support. The staff for an amazing 8 years, and your children for making my job so worthwhile.

Yours fondly

Clair (Queen of the orange group)
